

SOLVENT SATURATED WIPES

Polyester wiper soaked with solvent

DESCRIPTION

Stannol Solvent Saturated Wipes are a 100% polyester wiper soaked with solvent. It is lint- and dust-free and is ideally suitable for removing contamination from solder creams on screens, stencils, other materials and equipment. Other cleaning applications are possible.

APPLICATION

Wipe off the stencil or equipment and repeat the process, if necessary. The damp film dries quickly. When the cloth is used constantly protective gloves are recommended. Stannol Solvent Saturated Wipes are compatible with most kinds of plastic.

Do not use the wipes to clean keyboards and other products made of ABS plastics.

DISPOSAL

Cloths contaminated with solder cream should be disposed of together with waste containing lead; other contaminated wipes can be disposed of with the garbage.

PHYSICAL PROPERTIES AND DATA

GENERAL PROPERTIES	SOLVENT SATURATED WIPES
Dry fibre weight:	1.45g ±0.12g
Average thickness:	0.3mm
Saturation of IPA:	3.00g ±0.15g
Dimensions:	20cm x 13cm

GENERAL PROPERTIES	SOLVENT
Boiling point:	82°C
Density at 20°C:	0.786g/ml
Evaporation number:	2.88 (ether = 1)
Flash point:	13°C, easily flammable
Volatility:	100%
Miscibility with water:	100%
Can Sizes:	Anti-static plastic box with 100 wipes
Storage period:	unopened approx. 1 year / opened approx. 1 month Keep cool and dry!

HEALTH AND SAFETY

Before using please read the material safety data sheet carefully and observe the safety precautions described.

NOTE

The above values are typical and represent no form of specification. The Data Sheet serves for information purposes. Any verbal or written advise is not binding for the company, whether such information originates from the company offices or from a sales representative. This is also in respect of any protection rights of third parties, and does not release the customer from the responsibility of verifying the products of the company for suitability of use for the intended process or purpose. Should any liability on the part of the company arise, the company will only indemnify for loss or damage to the same extent as for defects in quality.
