Statement of Rigol about illegal sales channel

TO Rigol's Customers

Thanks for your interest in Rigol's products.

Recently, Rigol noticed that some Rigol products are sold directly from China to Europe. In order to protect customer's benefit, Rigol declares that these are illegal sales channels.

Rigol doesn't authorize anybody to sell Rigol products directly from China to Europe. Rigol also can't guarantee the warranty service to the customers who buy products from these illegal sales channels.

Some products from illegal sales channels are not even originally produced by Rigol Technologies, Inc.

Rigol recommends that customers contact our authorized distributor to buy Rigol's products.

Thanks for your understanding and cooperation.

One of official Rigol distributors for Germany is:
